

THE SOUTH CAROLINA ARCHERY ASSOCIATION  
GENERAL SHOOTING RULES FOR 2008

TOURNAMENTS

There will be (13) tournaments that will make up the 2006 SCAA Shooter of the Year competition.

1. State Vegas Round Championship
2. State Indoor Round Championship
3. State 900 Target Round Championship
4. State Field Target Round Championship
5. State Hunter Target Round Championship
6. State International Round Championship
7. Seven (7) Local 3-D Circuit Tournaments

The Rules and Regulations governing The Vegas Round are as follows:

A standard unit consists of 10, 3-arrow ends at 18 meters. The Vegas target face is the same as the indoor FITA "triple face". Each triple target is the 20-cm center portion of the 40-cm FITA face. There are two gold rings (scored as 10,9), two red rings (8,7), and one blue ring (6). The round consists of two units (60 arrows).

The Rules and Regulations governing tournaments 2 through 6 are as described in the current NFAA Constitution and Bylaws Handbook.

The Rules and Regulations governing State 3-D tournaments are described in the current NFAA Constitution and Bylaws Handbook with the following amendments, revisions, and changes:

Miscellaneous

- There will be five shooting stakes: 50 yards max (orange), 40 yards max (green), 30 yard max (yellow), 25 yards max (white), and 20 yards max (blue).
- Bowhunter stakes are to be placed in the shooting lane to give a clear line of sight to the target scoring areas.
- State 3-D tournaments are to consist of thirty targets.
- In the event that a State tournament cannot be held on the prescribed date, an alternate date will be set by the Board of Directors at the Fall meeting.

SCAA State 3-D Champion

The State 3-D Champion Competition will be governed as follows:

1. A competitor must compete in at least four of the State 3-D Circuit Tournaments held across the state.
2. The four highest scores will be counted to determine the State 3-D Champion.
3. State Champion 3-D scores will not be prorated since all 3-D tournaments will have 30 targets.
4. A competitor must be a member of the SCAA good standing to qualify as the SCAA state 3-D champion.

Shooter of the Year

The SCAA Shooter of the Year competition will be governed as follows:

1. A competitor must compete in at least 4 of the State Target Tournaments held and at least 4 of the State 3-D Tournaments held in that year to be qualified to compete for Shooter of the Year in his or her class for that year.
2. The top four 3D scores plus the top four target scores will count towards the SCAA shooter of the year totals.
3. All scores will be prorated to a max score of 900.
4. A competitor must be a member of the SCAA good standing to qualify as the SCAA shooter of the year.
5. A competitor must compete in comparable classes. It is the competitor's responsibility to verify with state officials if there is a question about like classes. See chart below:

Freestyle.....to....Open      Freestyle Bowhunter...to...Fixed Sight Release

Freestyle Limited...to...Limited...to...Bowhunter Freestyle Limited

6. A competitor may change classes during the year, but Shooter of the Year points may not be transferred to the new class if it is not comparable.
7. Special Rules Regarding Shooters Competing for Bowhunter Shooter of the Year:
  - Since the NFAA has no Bowhunter class, shooters competing in the non 3-D tournaments will shoot in the class based on their equipment. The shooter must inform the tournament director that their scores need to be carried over to the Bowhunter SOY tally and not the tally of the NFAA class they shot in that tournament.
  - The Bowhunter Shooter of the Year will be ineligible for Bowhunter Shooter of the Year the following year.
